PLAYER TRANSFERS

Players who transfer to another club participating in the BJRU competition shall not be required to pay the BJRU levies a second time. The most efficient means of transfer is to seek a refund of fees from the 'departing' club and pay registration fees as required by Kenmore Districts Rugby Club. The transfer requires the written agreement of the Club President(s) or Registrar(s). Players who do not transfer to another Club participating in the BJRU competition will be refunded the appropriate fee amount under conditions i) or ii) or iii) above.

The Club will address special consideration requests for refunds on a case by case basis.
