

KENMORE BEARS:

SPECIAL CONSIDERATION POLICY

Two types of cases may come under Kenmore Districts Rugby Club's Special Consideration Policy.

1. Cases of extreme hardship. These cases are to be referred to the President and Registrar and will be treated on a case by case basis.
2. Cases where there are good reasons for the deferment of payment of fees as required by the Management Committee. In this instance, reasons for acceptance of this special consideration arrangement will have to be substantiated by applicants.

In the second case, the following payment schedules will apply.

Payment of fees will be 'spread' over three periods throughout the season.

	One registered player per family	Two registered players per family
1st March	\$70.00	\$130.00
1st May	\$70.00	\$130.00
1st July*	Balance Due	Balance Due

*The final date will be the 1st July or the end of the first round whichever comes first

At the commencement of the season and on first payment members are required to sign a binding memo of agreement guaranteeing full payment of all fees by 1st July or earlier.

Note that fees are interest free and do not incur any charges.
